

Amendments to the Specification:

Attached is a Substitute Specification which has been amended to show the required sections specified by the Examiner in the office action of September 14, 2006. The specification also has been amended on page 5 to include a description of three new drawings required by the Examiner. The specification further has been amended on page 8 to refer to the newly added drawings. It is requested that the substitute specification be entered.

Amendments to the Abstract

Please replace the original Abstract with the amended Abstract shown on the following page:
